Dear Alan;

It will be all right with us to change the meeting date so that you might keep the worker training appointment in May. Your suggestion of Thursday through Sunday, May 6 through the 9th, will be fine, and we'll advertize these dates. As soon as we get some brochures printed, we'll send you a copy. If you have a picture and a resume' (and any particular suggestions of the topics you'll be covering) we'd appreciate it, otherwise within a couple of weeks we'll get out the literature without it. Suit yourself on this.

We commend you for the good work you are doing but know that it is a trying pace. We look forward to the meeting and pray God's richest blessing on it as well as his good grace to follow you wherever you go.

Until we see you soon, Lord willing, I remain

yours in His work,

Dean Hoggatt

Dear Dean -

I was reminded while I was in Tulsa for the International Soul Winning Workshop, where over 14,000 attended incidentally that I had already promised to be there and train workers Monday ^{noon} through Friday noon May 10 - 14 - Will you check with brethren & see whether I could start there Thursday or Friday night May 6 or 7 and go through Sunday morning or even Sunday afternoon so I could fly out & get into Tulsa before noon on Monday.

Many thanks
Alan
